JUNIOR OPTI: A FUN INTRODUCTION

Ages 6 to 8 years

Through exploration and games, our Jr. Opti course makes learning to sail safe and fun. At its heart, the goal of this course is to give kids a sense of themselves as competent individuals and a love of sailing and the water. There are usually two sailors in each Opti, giving them a chance to meet new friends and share the fun!

Schedule: One week, half day. (Note: this camp begins on a Tuesday due to July 4th) • Resident \$200 / Non-Res \$240 (note this is a 4-day course, the tuition is prorated accordingly)

NOTE FOR ALL YOUTH SAILORS

On the first day, all youth classes require sailors to participate in a swim check and a capsizing drill. Instructors oversee and explain both of these drills beforehand to the students. The swim check consists of participants swimming a minimum of 20 feet without a life-jacket, briefly treading water, and then putting on their life-jacket in the water. Students who are unable or unwilling to participate in either of these drills cannot join their class on the water until they complete the requirements. Please ensure that your child is comfortable completing a swim check before registering for a course since SSP cannot refund the tuition once a course begins.

OPTI 2: FINE-TUNING THE BASICS

Ages 8 to 14 years

The main focus of this course is mastering basic skills for a strong sailing foundation. Instructors will review rigging and how the sail powers the boat, while continuing to introduce new sailing concepts. This course is a good fit for sailors who are familiar with the basics of Opti sailing.
